

# ELENA NECHAEVA

Elena was born in 1971, lives and works in Yekaterinburg (Russian Federation).

At different times and to varying degrees, she received an education in the field of film directing, cultural studies, psychology, psychoanalysis, and painting.

The career path began with work at the Theater of the Young Spectator, as a prop artist. Then - work as a vice-rector and teacher in one of the private universities.

From 2007 to the present - a practicing psychoanalyst. Author of several books, publications in print and electronic media.

In 2005-2007 in the Center for International Trade (Yekaterinburg) four personal exhibitions of painting were held. In the 2010s - several private ("apartment") exhibitions.

At the moment, more than fifty paintings are in private collections in Yekaterinburg, other cities of Russia and abroad.

Among the hobbies, besides painting, are video editing, SMM, travel, cinema, music.

Elena is a fan of Russian and European painting at the turn of the XIX-XX centuries, which is noticeable in her works.

Be bold in the design of your interiors!
